Respondent,

v.

The Honorable J. Michelle Childs  
Richland County  
Trial Court Case No. 2008-CP-40-06779

## ORDER

---

Appellant served and filed his initial brief on April 15, 2011, and Respondent served and filed its initial brief on May 16, 2011. After serving the Record on Appeal, Appellant served and filed a second initial brief on January 12, 2012. Respondent then served and filed a second initial brief in response to Appellant's second initial brief. As to whether the second initial briefs were filed in compliance with Rule 208 of the South Carolina Appellate Court Rules, our clerk's office informed Respondent that this Court would only act on the matter if Respondent filed the appropriate motion. Respondent has now filed a motion to strike Appellant's Initial Brief filed on January 12, 2012. After careful consideration, this Court strikes Appellant's Initial Brief filed on April 15, 2011, and Respondent's Initial Brief filed on May 16, 2011. The initial briefs filed on January 12, 2012, and February 15, 2012, shall serve as the parties' amended initial briefs for this appeal. The parties' final briefs, which shall be identical to their amended initial briefs other

than citations to the record and the correction of typographical errors,<sup>1</sup> shall be filed within thirty days.

IT IS SO ORDERED.
