**To: Clerk of Court SC Court of Appeals \*\*\*Read and File,\*\*\* and Clerk of Court Charleston County Probate: (as actions not accomplished by Personal Representative.) by Petition of Redress of Grievances...**

**Dear Rose Walsh,**

**\*\*\*One of your (duties) and (responsibilities) as the Personal Representative of the Estate of my deceased mother, Annie Mae Crosby was a CD of all the pictures you have possession of all my brothers and pictures my mother and grandmother and other relatives. My two daughter's have no history of their (ancestry.) This shows vindictiveness and no regard for your own family! Is it not understood I have very little pictures as you took them all from my mother's residence.**

**\*\*\*You have blatantly abused your duties by also removing all of my deceased mother's belongings and placed packed in (PODS), where my two brothers had no access to them. Before you took possession by means not by the actions deemed required by the Probate Court that if a discrepancy occurred with a matter it would be addressed to the Probate Court of Charleston and clarified.**

**\*\*\*It is beyond my understanding and comprehension the total way you have handled this Probate Estate manner in a strong armed way, as you wanted to do so with no regard to the other heirs. I read every (word) stated by you at the December hearing in 2018 in Charleston County Probate Court! Merely twisting of words and the truth.**

**\*\*\*Your responsibility to the other beneficiaries was to help them, settle matters fairly and equally, not do to your liking and desire for yourself is a direct violation as an executor, fiduciary or Personal Representative...**

**\*\*\*It saddens me that I took my own mother to have this Will made in 2009 and you were made the Personal Representative, you have not (honored) your deceased**

**mother's wishes, but your (own.)**

**I, Kelvin W Crosby by (Petition of Redress of Grievances), file this motion of not adhering to the rules as the PR, by Rose Walsh. With strong (conviction) to other wrong's done to me and my family. Morally, I find this matter unexcusable!**

**I, Kelvin W Crosby have legal Medical documentation with the Department of Veterans Affairs, for 5 years the harm you have done to me emotionally and psychologically, my family and where it was asked that my life be left in peace not disruption all documented in the (actions) of this Appeal.**

**I, Kelvin W Crosby will not concede to you in any regard, but the Rule of Law... I draw upon the (US Constitution of the First Amendment on my behalf), duly served to protect it...**

**Sincerely,**

**Kelvin W Crosby, Disabled USAF and Army veteran.**
