Good morning,

I have just filed our second extension request, as well as a motion to file out of time. By way of explanation, my assistant's computer was being repaired for approximately one week back in February. It would seem this extension and the previous miscue were both improperly calendared during that time. We are conducting an audit to ensure no future deadlines are missed. Thank you for the reminder and my apologies for the delay.

Good morning,

Our records indicate that the petition for writ of certiorari and appendix were due on March 3, 2022 in the Milciades Alcantara v. State case.
Please inform the Court if our records are in error.

Thank you,
Ethel
