

# The South Carolina Court of Appeals

Sherry L. Floyd, Employee, Respondent,

v.

McLeod Health, Employer, and McLeod Health Self  
Insured c/o Antum Risk, Carrier, Appellants.

Appellate Case No. 2021-000932

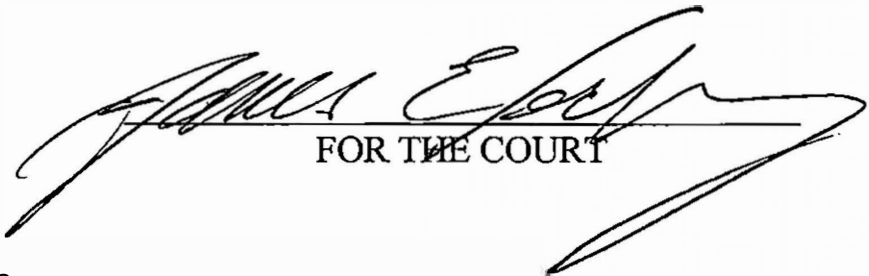

---

## ORDER

---

This appeal was dismissed on October 25, 2021, after this court determined the order on appeal was not immediately appealable. This court denied rehearing on December 2, 2021, and the case was remitted on January 10, 2022. Respondent has now filed a motion for costs pursuant to Rule 222, SCACR, seeking to recover \$3.40 for the cost of printing her final brief and \$1,000 in attorney's fees. Appellants oppose the motion.

We deny the motion as to Respondent's printing costs because this appeal did not reach the final briefing stage. We grant the motion as to Respondent's attorney's fees. Thus, Respondent is awarded \$1,000 in attorney's fees. The lower court or tribunal is directed to add this award of costs to the remittitur.
