Dear Mr. Stanton,

I have received your request for a transcript of record for the above-referenced case. The **estimated** cost to prepare such transcript is approximately **\$276.25** for an e-mailed PDF.

Pursuant to Rule 607, the total amount indicated above is due for the transcript you have requested. Upon receipt of the amount due, certified check or money order or firm check (no personal checks) made out to Natalie Dahl, PO Box 762, Conway, SC 29526 your transcript request will be placed in line for production. If, at the time of delivery, there is a difference in the quoted total amount due, the remaining balance due or to be refunded will be settled. Under the South Carolina Court Rules, a court reporter has 60 days from the date of request to complete the transcript. In this instance, the 60-day period will be determined based on the date the total amount due has been received. However, with my current workload I

expect to be able to complete this within three weeks. If you aren't interested in ordering the transcript, no further contact is required.

If I can
