Andy Artavius needs to find an attorney before his trial date will you let me or him know why you withdrew from his case and dismiss some the defendants so we can move forward I have already requested this once. I'm Not going to stop pursuing justice so will you give me this information or let me know who to contact for the information we need... Thanks

Good afternoon Andy... I have spoke with several attorneys so Artavius can pursue his own case since he is now 18. Two questions for me to ask you was 1) Why were some of the defendants dismissed from the case? 2) Why did you withdraw from the case? Will you please give me this information to proceed with me helping Artavius get the Justice he deserves. Thanks in Advance Andy

Good morning Andy...hope all is well. I know you are not Artavius attorney but I'm making you aware that I am doing him a Go Fund Me account today. I guess this corrupt state thinks I'm suppose to give in...but absolutely NOT. I emailed Warren letting him know that I was already aware that he was not my attorney he writes me back stating "Don't care" I'm pretty sure America would think he was incompetent. I will have in my account everything that has been done to make us suffer for a crime that was no fault of our own and show the pictures of how they had NO sympathy for what they did to his arm. The reason for this email is to just let you know that I still have no bad feelings toward you but you did drop a case without informing your client of exactly why...I understand you probably had a lot of pressure put on

you...but it still will look awful for you to leave in the middle of a fight for a client...but that's something you will have to answer for. No one has Ever mentioned to me about the doctor and physical therapy and anyone else about my son's arm. But today I will be telling my story and I DO NOT WANT to make you look bad but I'm thinking about my son since noone else will. I'm also attaching the email of Mr. Lokeys little remark to let it be known why it's not me being unreasonably. I will not be aggravating you anymore I just had to say my last peace. Thank You
