

The Supreme Court of South Carolina

Taurus Watts, Petitioner,

v.

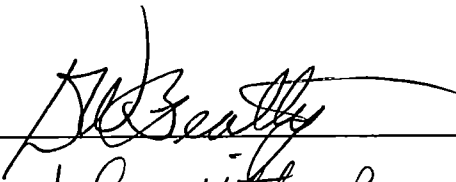

State of South Carolina, Respondent.

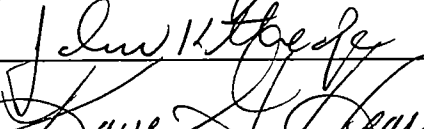

Appellate Case No. 2021-001438

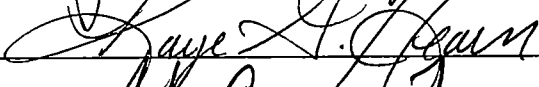

ORDER

In the explanation required by Rule 243(c), SCACR, Petitioner has failed to show there is an arguable basis for asserting that the determination by the lower court was improper. Accordingly, the notice of appeal filed in this matter is dismissed. The remittitur will be sent as provided by Rule 221(b), SCACR.

Petitioner has also written a letter alleging he is indigent and requesting the Court appoint him counsel. Because Petitioner's appeal is dismissed, the request to be appointed counsel is moot. Accordingly, Petitioner's request to be appointed counsel is denied.
