Re: Salam, et al v. SCOC, et al, Tr. Ct. ClA. 2006-CP-40-5442  
Appellate ClA. 2013-000443

Dear Court,

All previous order(s) of this court & the S.C. Ct. of Appeals are void for lack of subject matter jurisdiction. I have filed a 59(e) motion on 4/26/12. There is no appealable "final order" of the lower court.

Courts have the responsibility sua sponte to examine the basis of its' own jurisdiction. Louisville & Nashville R.R. & Motley, all U.S. 149, 29 S.Ct. 42 (1908).

WHEREFORE, I pray that this court & the S.C. Court of Appeals examine such & issue an order remanding this case to the lower court with instructions to issue a "final order" addressing all merits, oral rulings & the 59(e) motion.

3/20/13  
cc: Attorney A.R. Culbreath  
cc: Hon. J. Kitchens

Thank you,  
T. Terrell Bryan
