SC Court of Appeals

Dear Counsel:

We are in receipt of the respondent's initial brief and designation of matter filed on December 23, 2021. Please be advised that you must serve and file a motion to amend the respondent's initial brief and designation of matter. This motion must be served and filed within ten (10) days of the date of this letter or the amended respondent's initial brief and designation of matter will not be considered. The timeline for the appellant to serve and file an amended appellant's initial reply brief and designation of matter will be held in abeyance pending receipt of a motion to amend the respondent's initial brief and designation of matter. Therefore, by copy of this letter, the appellant is advised that no further action will be taken on the motion for an extension of time to serve and file an amended appellant's initial reply brief and designation of matter.

Very truly yours,

*V. Claire Allen*
