Colo, SC 29250

Re: 2014-CP-36-141

Pending appeal

DATE: 3.10.22

Dear Ms McMahan

I trust that my letter find you well.

Please be advised, that I rec'd your letter/  
notice of appeal and the Judges order 3.10.22.  
Which your letter/notice of appeal was dated  
3.4.22.

I must say that I am very surprised, that  
you did not file a 59(e) motion before your  
notice of appeal. Thus, you have really killed  
my appeal off per Marler v State 653 S.E2d  
266; Bostick v Stevenson 589 F2d 164.

Where you knew "that my 3rd issue was not  
that counsel failed to inform me of the  
plea offer" Where I argued, "that counsel  
caused me to reject the plea offer per  
Laffer v Cooper - not Missouri v Frye

Re: 2014-CP-36-141

Which I asked you in a few letters after the hearing to make sure you file a 59(e) motion upon any issues that is misplaced per law/facts.

The second issue was misplaced as well, I argued that she was a NONE witness.....

Please try to preserve my true issues and arguments for my appeal etc reviews.

Sincerely  
B. McElahra
