Re: **Charles Carter vs. State of South Carolina**

**S.C. SUPREME COURT**

Dear Mr. Carter,

I am in receipt of your letter titled "Petition for Writ of Certiorari" dated April 25, 2013. However, I represent the State in this case. As such, I cannot file any documents on your behalf. Additionally, upon reviewing your previous PCR cases, the Honorable Lee S. Alford signed an Order Restricting Future Filings in your 2010 PCR case. Therefore, I will not respond or take any action regarding your request unless directed by the Circuit Court or the South Carolina Supreme Court. Thank you for your understanding.

Respectfully,

  
J. Rutledge Johnson  
Assistant Attorney General
