

# The South Carolina Court of Appeals

In the Matter of the Care and Treatment of Ronald  
Garrard, Appellant.

Appellate Case No. 2019-001817

---

## ORDER

---

Counsel has submitted a brief pursuant to *Anders v. California*, 386 U.S. 738 (1967), and a motion to be relieved as counsel. We deny the motion to be relieved as counsel and direct the parties to brief the following issue and any other issue of arguable merit:

Did the circuit court err in finding the trial to determine whether Garrard was a sexually violent predator did not violate Garrard's procedural due process rights?

Appellant shall serve and file a brief within thirty days of the date of this order. Thereafter, Respondent shall have thirty days to serve and file its brief.
