Dear Mr. Billion:

The brief needs to be reprinted with only the brief portion included in the green covers. The appendix portion needs to be bound in white and labeled "appendix". The documents labeled "addendum" will need to be deleted. These changes should be made as soon as possible and will need ten copies of the amended materials.

Ms. Shealy:

I am following up on last week's call. The addendum covers unpublished cases, law review articles, news articles and other public documents that may be of assistance to the court. Please advise on how you would like us to proceed.

Best,

Mark

Dear Mr. Cooper,

I have received your Motion to be allowed to file an amicus curiae brief, along with the proposed brief, in the above matter. We have also received an appendix. This is to advise that under Rule 244(b), of the South Carolina Appellate Court Rules, this Court will not consider any documents or other evidentiary materials unless the certifying court has submitted those materials. The Court accepted your amicus curiae brief--that is the brief portion, not the appendix. Please let me know if you are going to request that the Federal court certify your appendix materials or this Court will not

consider the appendix portion of what you submitted.

Thank you,
