Dear Mrs. Kohn,

I want to thank you for giving me the privilege and opportunity to even write this letter, (according to your request or demand I can only communicate with you only by physical letter by US mail). Wherein I can ask you to please allow me to listen to the audio recording of my hearings that I had on November 30, 2020, and January 11, 2021, with Judge Goodstein and Judge Young. Mrs. Kohn, you know that you and your staff have been listening to me for over a year now, telling you how important it is for me to have an opportunity to listen to those two audio recordings and why I needed to listen to them.

Well, I still thank you for allowing me to listen to a part of the audio recording of the jury trial on August 23 and 24, 2021, which you had a lot of rules for me to abide by (and the timing was not good) in order to listen to it, but still, I thank you. But now, I need you to please allow me to listen to the other two, which will take just a fraction of the time that it took to listen to the other one. They are only thirty minutes or less each, but what is in these recording can put my life back together and help keep this system and this department operating the way it was designed to be. Mrs. Kohn, you always stated that “you and your

**department is neutral and have no reason to purposely not do your job”
accordingly to your words.**

In conclusion, I am requesting, asking and begging you to please allow me to listen to the audio recordings of November 30, 2020, and January 11, 2021, the hearings that took place in Berkeley County Court of Common Pleas because I know that the transcripts does not accurately reflect what the judges ruled. I have talked to Mrs. Candace N. Dunn, Clerk of Courts Office, her telephone number is 843-719-4406, she told me that their office doesn’t have the ability to pull up those recording because their IT team erases the recording every six months, so I will need to go to your department to get or listen to those recordings.

Thank you, ma’am, and please, please allow me to listen to these recordings.

Respectfully yours,

Joe Clemons
