SC Court of Appeals

Dear Ms. Kitchings:

On behalf of Clam Farm Partnership, LLC and pursuant to Rule 263(b), SCACR, I hereby respectfully request until May 8, 2022 to file/serve the Respondent's Initial Brief and the corresponding Designation of Matter to be Included in the Record on Appeal in the above-referenced matter. Our firm's check in the amount of \$50.00 is enclosed to cover the cost of this request.

My client will be responding to two briefs, one already filed by Appellant The South Carolina Department of Health and Environmental Control, Office of Ocean and Coastal Resource Management, Charleston County, and one to be filed by Appellant The City of Folly Beach. The City of Folly Beach received an extension to file its initial brief on April 8, 2022. While I am not certain an extension is needed due to the fact that The City of Folly Beach's initial brief is not due until April 8, 2022, in an abundance of caution, my client requests an extension until May 9, 2022 to file its initial brief and response to both Appellants.

If you have any questions or if a formal motion is required for the Court to consider the requested extension, please let me know.

Best regards,

Womble Bond Dickinson (US) LLP
