## ORDER

---

Appellant's motion to allow late filing of proof he has ordered the transcript of the proceedings held on August 30, 2021, before the appellate panel, is granted. To the extent Appellant contends the transcript is "additional," and not material to this appeal, we disagree. *See* SCACR 207(a), SCACR ("Unless the parties otherwise agree in writing, appellant must order a transcript of the entire proceedings below."). Appellant shall file proof he has ordered the transcript within thirty days of the date of this order.
