Appellate Case Number: 2022-00064

Ms. Bailey

Attached is a copy of the transcript request which was emailed to your office on 11 Jan 2022 along with the email trail related to the same. I also left a copy of this transcript request at 1220 Senate St on January 2022.

As of the date of this letter, which is more than two months after emailing the transcript request to [transcripts@sccourts.org](mailto:transcripts@sccourts.org), I still have not been contacted by your office or a court reporter related to this request. Consequently, I am sending another letter via USPS in an attempt to fully rectify this issue as soon as possible.

Please ensure either someone from your office or a court reporter responds to my email before the end of this week with the current status of the transcript, the estimated cost for the transcript and an explanation for this significant delay.

Thank you in advance for your prompt attention to fully resolving this issue before the end of this week.

Best regards,

Alan Nix

Good morning.

Given no response to the below last Friday afternoon, or for that matter, at all during the last two plus months, I left a voice mail about this situation a few minutes ago.

Please ensure this situation is fully addressed this morning, including an explanation for this substantial delay.

Best regards,

Good afternoon.

Tomorrow will be two months since I requested this transcript and as of this moment, still have no record of receiving any response from Court Administration, including who this request has assigned to and the amount required.

Given the clear issues / misstatements in this order, this seems likely to not be a coincidence.

Please provide an update this afternoon so I am able to determine the best path forward.

Best regards,  
Alan Nix
