**APPELLANTS' SECOND REQUEST FOR AN EXTENSION**

---

This Court granted Appellants' first request for an extension in which to file their initial brief and designation of matter, and Appellants' initial brief and designation of matter for the Record on Appeal is therefore due on April 4, 2022.

Appellants hereby respectfully request a second extension, of thirty (30) days, in which to file their initial brief and designation of matter, until May 5, 2022. The reasons for this request include the complexity of the issues in this case and the time that will be

required to research and brief them, as well as the undersigned counsel's personal calendar, which is like a gauntlet of non-coinciding spring breaks for children, *inter alia*.

Appellants have sought the consent of Respondents to this extension: counsel for Respondents Jonathan Dye and Shaun Dye has consented to the request; however, as of the date of this filing, Appellants have received no response from counsel for Respondent Shellmore Homeowners' Association and John Chakides.

Appellants respectfully ask that this Court would grant them until May 5, 2022 to file their initial brief and designation of matter in this appeal.

Respectfully submitted,
