Good afternoon Stormy,

I called a second ago but did not leave a message. I have a general question about moving for the attorney's fee under Rule 222(b), SCACR. In the case of multiple prevailing parties, is each prevailing party entitled to the attorney's fee or is the attorney's fee to be split amongst all prevailing parties?

I am happy to provide a case number, but figured a general question would suffice. Thank you.

Best regards,

Skyler
