Case: Timothy Saj V. Haven at regent Park
Appellate # 2020-001225
Lower court # 2020 CP4601045
Mag court # 2019 CV4610401820

As per conversation with SCCA & case coordinator Tyler I will explain recall. At the time of remittitur being drafted & sent I was out of town & believed brief was sufficient. Against the wishes of my cardiologist Karl Weber 'medical Associate' as I am in end stage cardiomyopathy with about 7 months live to low ejection fraction numbers. My uncle and God father was in hospice in upstate N.Y. I knew it would be last chance to see him so I went it does appear remittitur was moving forward while gone. The information I am giving can be found on a simple search "Kenny Saj" he since has passed. I did send brief in a timely manner 1-22-22 as shown by Post office documentation provided.

I have enclosed the \$50⁰⁰ fee & am filing with mag court & serve all parties. Thank you for your time in this matter & granting Recall and hold on lower courts.
