Extraordinary Circumstances

My request is for Emergency hearing due to lack of time with ejection
I did serve paper work to All parties, Magistrate court took it then
ushed it back on counter. A cloud of distrust has come over me
with the Magistrate court as far as process. With held information with
held judge was having a heart attack during hearing and he didnt
want to die hearing my case. No defense can be made under that
pressure. Information with held until to late to file appeal.

You can see my time on earth is short and a move will Kill me.
You can also see I did sent brief in a timely manner and had
been out of town for sometime while remittior was happening
I know I can prevail over the Haven if given the chance
Please consider recall remittior your honor. Thankyou
