To whom it may concern

Patient has terminal medical condition life expectancy is less than 1 year. Due to the underlying circumstance we cannot predict even on a monthly basis but his prognosis is poor and life expectancy is less then 1 year. If there are any questions regarding this patient's condition pending that the HIPAA protocol is followed do not hesitate to contact this office. Your cooperation in dealing with this patient for apartment leasing would be appreciated.

Sincerely,

Karl Weber, MD
