

To whom it may concern;

I would like this court to consider my notice of Appeal as my explanation I'm responding to your letter stating I have twenty (20) days from the date of that letter stating I have to show a proof of service showing that a copy of the notice of Appeal was timely served on the counsel for the state as required by Rule 243(b) and 203(d)(1) B(1), SCACR.

I received a copy of the final order of dismissal on January 5, 2022 and I had my ten (10) page pro-se notice of Appeal notarized with Tiger River Institution mailroom on January 6, 2022 which I promptly had it sent to Dorchester county clerk of court the county I was tried and convicted, because I do (not) have an lawyer representing me and under the law I assume the clerk of court would have properly file my notice of Appeal with the proper court. See page 4 the first page of my pro-se notice of Appeal showing it was filed with Tiger River correctional institution mailroom on January 6, 2022. See page 3 copy of written statement indicating the date I received the written notice of entry of the final order.
