

To The Court of Appeals:

5-2-13

May I please get a continuance on my 45 day deadline on Amending my Appellate Attorney's Anders Brief. I Apologize For Bothering you about this but I desperately need the extra time on this because I do not have my trial transcripts yet or my Arraignment transcripts at this point. I Am and I have been repeatedly contacting my Appellate Court Attorney, Katherine Hodgins Esq. about providing me these transcripts but as of right this minute I still can not get her to provide me with either of these transcripts.

- Trial transcripts from March 12, 13, 14, of 2012
- Arraignment transcripts from September 22, 2011

Please allow me this continuance to prepare or Amend her Brief.
