

# The South Carolina Court of Appeals

State of South Carolina, Respondent,

v.

Alan Gregory Nix, Appellant.

Appellate Case No. 2022-000064

---

## ORDER

---

From the appellant's filings, it appears this appeal arises out of an order filed November 12, 2021, authorizing transcription of a preliminary hearing in a criminal matter. The appellant also indicated he was appealing from other orders of the circuit court in his notice of appeal, but has failed to provide a copy of those orders as required by Rule 203(d)(1)(B), SCACR. This appeal is dismissed for the failure to provide a copy of an order from which appeal may be taken. *See* S.C. Code Ann. §14-3-330 (2017) (setting forth the types of orders this Court has appellate jurisdiction to review on appeal); Rule 203(d)(1)(B), SCACR (noting a copy of the order or judgment to be challenged on appeal shall be filed with the clerk of the appellate court). The remittitur will be sent as provided by Rule 221(b), SCACR.
