RE: Appellate Case No. 2021-001504

I received the copy of the Order filed on March 10, 2022 regarding transcripts. I called your office last week and left the message that I have just had hip replacement surgery following an accident and am at home now recovering. I also left the new telephone number for the landline here at home, which is 214-613-6649. I am not driving, and am confined to the downstairs level of my home, with access only to my I-Pad and phone, and that will be the case for the next few weeks. I have someone doing my typing and printing, as that equipment is located upstairs.

In my last letter to you, which was copied to Devon Puriefoy, I specifically stated that there were no court reporters present at any of the three hearings on Zoom, and that tapes or transcripts of tapes obtained via Zoom were not valid for use as evidence, as that both could be accessed or altered by anyone. I am not going to pay for transcripts, and it is my understanding that the court could listen to said tapes. Since I have hard copies of all the evidence cited in both my Appeal to the Greenville Circuit Court and to your court, as well as to Mr. Puriefoy, I view this as just another attempt to delay the matter. I am entitled to specific financial information according to South Carolina Law, which I have not obtained. I am sure the Internal Revenue Service will be very interested in the handling of my father's estate, including several real estate transactions, and other matters. I am also aware that Fox 46 News in Charlotte reported on a ODC investigation of a unit of the S. Carolina Supreme Court in the matter of the Estate of Hollis Slade 2021ES4300033.
