

The Supreme Court of South Carolina

Willie M. Green, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2021-001494

ORDER

By order dated January 24, 2022, this Court dismissed the notice of appeal in this matter based on Petitioner's failure to provide an explanation as required by Rule 243(c), SCACR. However, Petitioner mistakenly sent his explanation to the court of appeals, and this Court did not receive the explanation prior to the order of dismissal. Because Petitioner's Rule 243(c) explanation was timely sent, we reinstate this matter and consider the explanation.

In his Rule 243(c) explanation, Petitioner has failed to show there is an arguable basis for asserting that the determination by the post-conviction relief (PCR) court was improper. Accordingly, the notice of appeal in this matter is dismissed. The remittitur will be sent as provided by Rule 221(b), SCACR.

In addition, we hereby prohibit Petitioner from filing any further collateral actions in the circuit court, including PCR actions and habeas corpus actions, as well as any motions relating to the previously filed collateral actions, challenging his convictions for incest; third degree criminal sexual conduct; and two counts of second degree criminal sexual conduct with a minor, or any motions in the underlying criminal case, including a motion pursuant to Rule 29, SCRCrimP, without first obtaining permission to do so from this Court.
