I do apologize for not adding the correct information and the format of my record on appeal. I honestly don't have all of the information that's requested but I do want to correct my record on appeal. I'm asking for a clear understanding of what paperwork Mr. Dunbar is asking for and where do I get it from. I didn't receive my entire worker's compensation file from them or my previous lawyer. My orders has APA Submissions but not the material so I'm confused to what paperwork.

Mr. Dunbar's deceit and dishonesty was found and proven with both postal receipts from the U.S. mail service. Everyone pertaining to this case gave address's and phone number's to receive calls or mail to each other, so we are responsible for our OWN mail and calls given or received. Having his assistant write something in notary doesn't hide the fact of the US mail tracker.
