Re: William Chesser v. State  
Appellate Case No. 2013-000937

Dear Petitioner:

This Court has received your notice of appeal, and the case has been assigned the appellate case number that appears above. Please use this number on all future correspondence relating to this matter.

Upon reviewing your notice of appeal, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter:

- Copy of the final order. We have obtained a copy of the conditional order.
- Proof of service showing the notice of appeal has been served on opposing counsel, the Attorney General's office.
- Since the order of the circuit court determined that this action is barred as being successive and/or as being untimely under the statute of limitations, Rule 243(c), SCACR, requires you provide a written explanation as to why

this determination is improper. This explanation must contain sufficient facts, argument and citation to legal authority to show that there is an arguable basis for asserting that the determination by the lower court was improper. The failure to make a sufficient showing may result in the dismissal of this matter.

All parties to this matter are advised that all filings must comply with the requirements of Rule 267 of the South Carolina Appellate Court Rules (SCACR). The SCACR are available online at [www.sccourts.org/courtreg](http://www.sccourts.org/courtreg). Additionally, any filings submitted by counsel admitted in South Carolina must include counsel's bar number.

The attention of the parties is directed to the order relating to the inclusion of personal data identifiers and other sensitive information in documents filed with the Supreme Court of South Carolina and the South Carolina Court of Appeals. The order can be found at [www.sccourts.org/courtOrders/HTMLFiles/2007-08-13-02.htm](http://www.sccourts.org/courtOrders/HTMLFiles/2007-08-13-02.htm). Please note that the responsibility for insuring that information is redacted or sealed as required by this order rests with counsel and the parties. This office will not review filings for redaction or to determine if materials should be sealed.

Very truly yours,
