## MOTION TO SUPPLEMENT ANSWER TO PLAINTIFF'S COMPLAINT PERSUANT TO SCRPC RULE 15(d) AND AMENDED COUNTERCLAIM FOR MALICIOUS PROSECUTION

Pet Helpers, Inc., Plaintiff

Vs.

Janet L. Frisco, Defendant

---

To: THE ABOVE-NAMED PLAINTIFF, PET HELPERS, INC.:

YOU WILL PLEASE TAKE NOTICE that the undersigned will move before the presiding judge, Court of Common Pleas for Charleston County, within ten (10) days or as soon thereafter as Pro Se may be heard, to supplement original answer to the Plaintiff's complaint pursuant to SCRPC Rule 15(d) and to counterclaim for malicious use of process in the wrongful initiation of a civil proceeding in order to seek relief of all sanctions, partial summary or default judgements, compensation for legal costs, sanction paid to the plaintiff's attorney, and return of my dog Toby that Pet Helpers obtained under false pretenses and whom they allowed to suffer separation from me contrary to their claims they try to keep pets and owners together or place them in good homes stated on their website. and to request a settlement from Pet Helpers for the immense pain and suffering inflicted on me by their lawsuit which caused me to be the victim of incarceration, intimidation, threats, multiple hearings, false accusations, calumny, oppressive discovery requests, unwarranted restraining orders, police harassment and other continued duress that I am still being subjected to through their malicious and fraudulent lawsuit.

**SCRPC 15(d) SUPPLEMENTAL PLEADINGS.** Upon motion of a party the court may, upon reasonable notice and upon such terms as are just, permit him to serve a supplement pleading setting forth transactions or occurrences or events which have happened since the date of the pleading sought to be supplemented, whether or not the original pleading is defective in its statement of a cause or action or defense. If the court deems it advisable that the adverse party plead thereto, it shall so order, specifying the time therefor.

**Note:**

**This Rule 15(d) is the same as the Federal Rule, State practice since 1870 has followed this procedure. McClasian v. Latimer, 17 S.C. 123 (1882); Francis Marion Hotel v. Chicco, 131 S.C. 344, 127 S.E. 436 (1924).**

**BACKGROUND**

At the time I answered the plaintiff's complaint I was not aware of information that is critical to any final decisions by the court. Since my original Answer to the Complaint, there is evidence that the adoption of my dog, Toby, a.k.a. Slim Jim, was staged by Melissa Susko and her employee, John Blaine on May 8, 2021. (See **EXHIBIT A**). The fake adoption was then advertised on their website in order to fraudulently solicit donations based on finding him a new home. (See **EXHIBIT B**). Katherine Leasure, in the Intake Department, and Ms. Susko lied about the date of the so-called adoption in order to prevent me from adopting my dog back after I submitted an online adoption application on the evening of May 7<sup>th</sup> 2021 (See **EXHIBIT C**) that Ms. Leasure sent me after I called and emailed and phoned her on several occasions about reclaiming my dog days after his surrender (See **EXHIBIT D**). Ms. Susko, Ms. Leasure, and Mr. Blaine are all complicit in the aforementioned behavior intended to defraud their donors by faking Toby's adoption in order to solicit donations from them and collect subsidies from the Bissell Pet Foundation.

Plaintiff's attorney filed the document *REPLY TO DEFENDANT'S 2<sup>ND</sup> MOTION TO AMEND ANSWER AND COUNTERCLAIMS* in reference to my two previous attempts to amend my answer to his client's complaint criticizing that I neglected to submit a proposed answer and reiterating again the history of this litigation including the plaintiff's claim of defamation and all the actions ordered against me thus far. He also includes that I haven't complied with his discovery requests or paid an additional sanction of \$1214 ordered by Judge Cothran. By doing this, counsel is attempting to distract the court from his serious infractions constituting fraud upon the court stemming from his false statements he used to obtain the restraining orders and concealing evidence of the fake adoption. The discovery requests, especially the Production, are oppressive and unreasonable because of their scope and were only created to prevent me from defending myself from a massive array of motions. Mr. Futeral also stresses that I haven't complied with his discovery requests or paid additional sanctions that were imposed by the court even though none of my arguments or filed objections were considered by the

court before their decisions. I made errors in filing amendments to my original answer and now Plaintiff's counsel is attempting to use my inadvertent oversites as an excuse to have the court dismiss my counterclaims against the plaintiff calling them "frivolous".

The plaintiff's attorney seems to think anything is permissible as long as he outwardly adheres to *The South Carolina Rules of Civil Procedure*, but he is actually abusing these rules in a fraudulent and malicious lawsuit in order to cover up the criminal behavior of his clients. There is a higher ethical rule that he entirely ignores in his pursuit of conquest.

He states in his Law Analysis II that I should not be allowed to amend my complaint until I pay additional sanctions ordered on January 22, 2021 because he is trying to incarcerate and extort more money from me so I will be unable to oppose him or defend myself in this lawsuit. I have already paid a sanction of \$5432.34 in order to be released from jail on November 9<sup>th</sup>, 2021 that is currently pending appeal in the South Carolina Court of Appeals and I shouldn't have to pay additional monies until a decision is reached concerning that and the other pending issues such as Mr. Futeral's fraud upon the court, malicious prosecution and possible abuse of discretion by other court officials in the Charleston County Court of Common Pleas that have been included in filings in the lower and upper court. My *Petition for Rehearing* was filed in the Court of Appeals on March 15, 2022 and is pending.

I am now submitting this **MOTION TO SUPPLEMENT ANSWER** under **SCRCP 15(d)** with **AMENDED CLAIM FOR MALICIOUS PROSECUTION** to the court, which I believe according to the rule, holds complete dominion as to whether my motion is heard, but additionally I have also submitted the proposed supplement for the plaintiff's review.

### **CONCLUSION**

Pet Helpers' legal counsel, Stephan V. Futeral, is guilty of attempting to conceal his client's fraudulent behavior through the lawsuit and its' actions and fraud upon the court for concealing evidence and making false statements on filed documents and in court hearings in order to cover up criminal fraud by Pet Helpers, Inc. Mr. Futeral lied that I threatened employees, trespassed on Pet Helper's property and committed defamation in order to obtain the restraining orders and file the complaint against me. The lawsuit filed by the plaintiff's constitutes malicious prosecution because there was no defamation against the plaintiff involved. The complaint against me is merely a ploy to

conceal the plaintiff's criminal fraudulent actions. Everything I said was true except they hadn't killed my dog yet because I brought too much attention to their sinister actions through my public protests. I believed they would have euthanized Toby shortly after the fake adoption because a former employee approached me as I was protesting in front of Pet Helpers and told me the executive manager, Melissa Susko, told her she was certified to euthanize and the former employee also said that Ms. Susko had been involved in the euthanasia of two dogs, Cody and Dixie, who were not medically untreatable or aggressive when the employee worked at Pet Helpers. I truly believe they planned to kill him because I saw how they needlessly let him suffer separation for weeks after I left him there waiting for me to return when they knew I would come back for him. Unbelievably, Pet Helpers later denied in their Admits that dogs experience depression when abandoned. Plaintiffs have maliciously, with the assistance of their legal counsel, attempted to conceal a crime through the restraining orders and sanctions contained in the lawsuit when I reacted to their deception after unsuspectingly surrendering my dog Toby to them on April 13, 2021. They mislead me to believe that they would find him a good home, but instead they faked his adoption and probably would have killed him after they collected the donations and subsidies. The reason for their lawsuit is to cover-up their crime of fraud by suppressing the truth about the fake adoption and to destroy me in the process if necessary to reach that end.

Pet Helpers, Inc. has caused great injury to me by subjecting me to threats, intimidation, illegitimate restraining orders, calling the police for no reason, violation of my constitutional right to free speech, traumatizing me by incarceration, and causing me financial hardship through sanctions and currently a motion for a partial summary judgement and further sanctions when there is no legal basis because I have not committed libel or slander against them. On the contrary, I have only attempted to expose the truth about what they did to my rescued hunting dog and to me. Each time I looked at his pictures on their website, my heart was broken because I could see, and so could they, how sad he was although they denied it when I called and emailed repeatedly with concerns after the surrender, but they were only concerned with making money.

Their lawsuit has affected my health and overall well-being that may be a permanent condition when I was doing very well even starting my own landscaping business before I fell into Pet Helpers' trap that they set for the public and unwarily surrendered my dog to them. I have had to undergo almost a year of pain and suffering because they were only concerned with exploiting Toby in

order to make money allowing him to suffer separation and then prosecuting me for exposing the fake adoption and disposal of dogs. They deliberately and maliciously tried to harm me financially through the lawsuit and physically harm me through the incarceration in order to cover up their criminal actions.

**Accordingly, the Defendant respectfully requests the following of this court:**

1. Pet Helpers' illegitimate complaint Case # 2021-CP-10-2682 be dismissed and all associated restraining orders and sanctions rendered against me be immediately revoked and/or refunded.
2. I be reimbursed for all costs, pertaining to this case and my own complaint Case #2021-CP-10-2848 that was consolidated January 6, 2022 as well as the sanction of \$5432.34 I was forced to pay to be released from jail of November 9, 2021, a form of theft and extortion by the Plaintiff's attorney.
3. My dog Toby, who was not legitimately adopted, be returned to me as he should have been when I requested that Pet Helpers return him a week after the surrender.
4. Mr. Stephan Futeral, the Plaintiff's attorney, be reprimanded by the court and referred to the South Carolina Bar for his deceptive actions constituting fraud upon the court in this lawsuit.
5. I be compensated \$50,000 for my pain and suffering inflicted by the Plaintiff during the course of this malicious prosecution.

I surrendered Toby (Slim Jim) but I regret it because I was really attached to him after rescuing him from starvation and impoundment and keeping him for eight months. I neutered, wormed and vaccinated him and he was thriving. I know he is attached to me too and he looks really sad in his adoption pictures. I don't think he realized I wasn't coming back for him. I can take care of him and give him a good home like I do for all my other dogs that I've rescued. My whole life is dogs and going to church. They all sleep in the beds, eat well, heart worm prevention and are cared for better than some humans. They get to go on outings and walks and see vet regularly.

Katie, Could I please come there and get Toby back tomorrow. I thought I was doing the right thing for him, but he doesn't look happy at all in the pictures. He's had a rough life and I can't let him down like the hunter who previously owned him.
