SC Court of Appeals

Pleasant Spring AME Church et al

Respondents,

v.

Appellate Case No: 2022-000009

Pleasant Spring Church et al,
Appellants

MOTION FOR EXTENSION OF TIME TO FILE APPELLANT'S INITIAL BRIEF AND DESIGNATION OF MATTER TO BE INCLUDED IN THE RECORD ON APPEAL

1. The Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal is due on April 8, 2022.
2. Counsel for the Appellant has experienced a heavy work load over the past several weeks which has interrupted Counsel's ability to complete the initial brief.
3. Counsel for Appellants therefore requests a brief extension of time to file the Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal until April 28, 2022.
4. Although this is Appellant's second motion for an extension of time with respect to filing the Appellant's Initial Brief and Designation of Matter, Appellant's brief is nearly complete and Counsel does not anticipate the need for any further extensions of time with respect to submitting the initial brief.
5. This motion is not being made for purposes of delay; rather, the circumstances set forth above have necessitated this request.
6. Counsel for Appellants further requests that all deadlines relevant to perfecting the appeal in this matter be held in abeyance pending the Court's ruling on this motion.

Accordingly, Appellant requests an extension of time until April 28, 2022 to file and serve the Appellant's Initial Brief and Designation of Matter.
