Case No. 2021-001444

v.

Appellant Request to dismiss Respondents  
Strike

Keiarra Carr

Houston, TX 77058

The appellant Keiarra Carr is a Thirty-year-old mother of three small children who is homeless, dealing with postpartum depression, diagnosed with severe ADHD, diagnosed brain behavior dysfunction, diagnosed anxiety/depression, vitamin D deficiency, and high blood pressure. I cannot afford my rent I certainly cannot afford a lawyer; I am doing my best and I have all the facts and proof to back everything I have stated since day one of this case. There are days I can barely get out of the bed, I am struggling to make a livelihood, and I am fighting hard to write the wrongs made in this case. I have provided proof, with witnesses to back every statement I have made in this case, and even with my disability I have labeled and addressed all things according to what I have read regarding the SC RULES.
