SC Court of Appeals

S.C. Court of Appeals,

My name is Dana L. Dixon. I am the

Appellant for Case NO. 2021-000696. I

am writing due to Respondent's motion to

Supplement the Record on Appeal. Respondent's

have made the allegation that "the documents

listed in their Designation of Matter is absent

from the Current Record on Appeal."

I feel that Respondent's untruthfulness

and Malfeasance and stall tactics is

repetitive due to the following.

On 8/27/2021, Respondent's filed their

Designation of Matter, which included

Respondent's Pre-Hearing Brief (R.p. 220-225)

Hearing Transcript of 6/12/20 (Comm James) (R.p. 321-362)

1. Decision & Order (Comm. James) dated 11/03/20 (R.p. 1-10)

Appellant's Form 30 dated 11/19/20 (R.p. 182)

Appellant's Motion to add, dated 12/10/20 (R.p. 174-176)

Respondent's Reply to Motion dated 1-6-21 (R.p. 177-181)

Appellant's Brief to full Comm dated 2/22/21 (R.p. 196-212)

Respondent's Brief in opposition to full Comm. dated 2/10/21 (R.p. 183-184)

Hearing Transcript of 2/22/21, full Comm. panel hearing (R.p. 376-392)

Full Comm panel Order dated 5/26/21. (R.p. 363-375)

Which has been in ALL of my Submitted

Records on Appeal and Designation of Matter

and the Only time that documents were NOT

in my D.O.M & R.O.A. is when Respondent's

was untruthful to have documents Stricken.

On the letter dated, filed on 03/29/2022

States that Respondent's Counsel had NOT

Received my Amended Record on Appeal, which

Made it impossible for Respondent's to prepare

their final Brief.

The following has Occured at S.C. Court  
Of Appeals regarding Case No. 2021-000696.

09/22/21: Appellant's Record on Appeal + proof of  
Service, listed address 1122 Lady St.

09/24/21: Respondent's filed a motion to strike.

11/17/21: Order to ~~Strike~~ Appellant's Motion to Supplement

12/02/21: Appellant Record on Appeal + proof of  
Service.

12/03/21: Respondent's filed a Motion to Consolidated

12/23/21: Appellant final + Reply brief.

01/04/22: Respondent's motion for dismissal, due  
to them NOT having received my record on Appeal (Amended)

03/01/2022: Appellant's Record on Appeal + proof of Service

03/02/2022: Deficiency letter sent for Record on Appeal.

03/10/2022: Deficiency - Correction for Record on Appeal.

I had filed my Record on Appeal on 9/22/21

and on 12/02/21 without the stricken documents,

then the Order allowed me to re-add the stricken

documents that were used at the lower court, then

I re-submitted my Amended Record on Appeal that

Respondents have alleged that the documents

are absent from the Current Record on Appeal which is a false statement, especially when they are listed in my Record on 3/10/22 Appeal that I have submitted to this Court. So with that being said my questions are why did the Respondent's file a Motion to Supplement the Record on Appeal when all of Respondent's Designation of Matter is listed? With the 3 Motions Respondent's previously filed this making the 4th, I would like to know if this is a stall tactic? due to the dates of filed untruthful motions by Respondent's.

Why have Respondent's waited so long to file a motion to Supplement filed Record on Appeal?

I beg this Court to review EVERY  
filed documents listed on S.C. Appellate  
Case Management System dated 06/30/2021  
through 04/08/2022, Submitted by  
Respondent's and myself, and review the  
Record of Appeal I Submitted (Amended)  
that shows the Respondent's Designation  
of Matter. And to help me understand  
the Respondent's reasons for Stalling  
to Submit their final Brief

3-1-22: R.O.A + Proof of Service

3-2-22: Deficiency letter for Record on Appeal

3-10-22: Deficiency- Correction for Record on Appeal (re Submitted)

3-29-22: Correspondence- Outgoing (letter addressing Amended Record  
and final brief. (Where Respondent's State they had not received my  
Amended record on Appeal. I submitted receipt from post office)

4-6-22: Motion to Supplement Record on Appeal by Respondent's  
due to Respondent's State that "the relevant materials in  
their Designation of matter on Appeal that were relied on  
in Respondent's Brief are absent from current record  
on appeal."
