

Dear S.C. Court of Appeals

3-26-22

I'm writing your office to see if you received my statement letter on why I'm appealing my case that was mailed to you on 3-18-22. Also I wanted to inform your office that I told the Attorney Geoffrey Dunn that was on my case to send your office a copy of my statement in my case that he had refused to present to the court on my behalf. Also Mr. Dunn is supposed to send 2 Documents from 2 different Pathologists that he claimed he had look into the Man Slaughter charge, but could never show me proof that this was done. I asked Mr. Dunn for 3 months for these documents, but he'd claim he's still waiting on them and still says this, so I honestly do believe Mr. Dunn lied about this, just like he did about many things in my case. He was 100% working for the Solicitor and not me and he never done anything at all for my case, I even studied laws, statues, and cases in the law library that would've gotten at least half, if not all of my charges dropped and wrote all of it down and sent to Mr. Dunn and he ignored it all and never tried to do anything for me.

That's why I wrote a complaint to the S.C. Bar and the office of Disciplinary Counsel on Mr. Dunn and Solicitor Shelton. Even physical evidence was ignored that I wanted presented to the case to clear my name. Mr. Dunn worked with Solicitor Shelton to make sure that I wouldn't be able to help myself. I pray that someone from your office will help me please. I hope to hear from someone soon. Thanks For Your Time
