MOTION FOR EXTENSION OF TIME

The Appellant, Kelvin Byrd, by and through undersigned counsel, hereby requests and extension of time of thirty days in which to file Appellant's initial brief and designation of matter to be included in the record on appeal. In support of such motion, Appellant's counsel avers that this is Appellant's second motion for an extension. Due to the relocation of my office, the hiring and training of a new legal assistant, certain medical issues, numerous other deadlines, and the moving of my personal home, Appellant's counsel has been delayed in completing the initial brief. If granted, Appellant's counsel does not anticipate requesting any further extensions. Wherefore, Appellant respectfully moves this honorable court for an extension of thirty days. If granted, Appellant's brief and designations would be due on July 12, 2012. Appellant was unable to reach opposing counsel for his consent as of the date of filing this Motion.
