Re: Eastwood Construction Partners, LLC et al v. GHD Brooks Creek, LLC et al,
Case No. 2020-CP-46-02006
Ct. App. No. 2022-000290

Dear Ms. Kitchings:

I hope you are well. Earlier today, the Appellants efiled a subsequent Notice of Appeal of two orders issued today and requested expedited review. In addition to the notice, a petition and a number of associated exhibits were also efiled.

As explained in our cover letter efiled with this appeal, and as we did in filing the Appeal associated with the Form-4s filed in this matter on April 13, 2022, there is a confidentiality order in place. A copy of that order was submitted with the efilings. With this order in mind, and with the belief that certain exhibits to the petition fall under this confidentiality order, we efiled only those exhibits which were not considered confidential.

Please find under cover of this letter those exhibits which we believe are covered under the confidentiality order and should be reviewed *in camera*. An exhibit list is also included with these documents which shows all the exhibits and how they are designated.

Please let us know if you need any additional information or if these documents should be provided in a different manner or format.

In addition, please find enclosed our firm check for \$250 for the filing fee for this appeal.

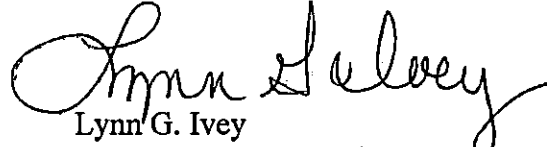

The Honorable Jenny Abbott Kitchings
