SC Court of Appeals

Mrs. Kohn,

I am requesting the audio / ASCII Disks of the unedited original transcripts of the November 30, 2020 and January 11, 2021 hearings, as highlighted in SC Judicial Branch Rule 67 h(D), Court Reporter Transcripts and Tapes:

(D) A fee of One Dollar and Fifty Cents (\$1.50) per page for unedited (rough copy) ASCII Disks when no request for an original transcript has been made.

The reason for this request is because the hearing transcripts that I have are inaccurate. I ask because my wife and I were present during the hearings and will know for certain what events took place, and what did not; the only people who will know what was said during the hearings are the people who were there.

Please let me know if this is possible. Thank you for your help.
