Dear Shelby:

Although we called the Court twice last week regarding this matter, we did not receive a response to the voicemail messages we left, so I thought an email might be a better approach.

The Court's April 1 letter to the parties indicates that this case will be submitted "during the April 2022 term without oral argument." However, when I review the Court's April 2022 roster of cases, I see no mention of this case under the heading "Cases to be Submitted without Oral Argument."

Am I misreading the roster? Or, has the information from the April 1 letter changed? Any light you can shed on this matter would be greatly appreciated.

Best regards,

Sean Michael Bolchoz
