RE: *APTIM Federal Services, LLC. v. David Casey*
Appellate Case No.: 2022-000184

Dear Honorable Kitchings:

Please allow this letter to serve as a formal motion for an extension for filing the Appellant's Initial Brief and Designation of Matter in the above-referenced matter. The Appellant's Initial Brief and Designation of Matter are currently due on May 11, 2022. Appellants have reached out to Defendants, who have no objection to the requested extension. If this request is granted, the Appellant's Initial Brief & Designation of Matter would be due on June 1, 2022. I have enclosed the filing fee of \$50.00 for the same. This request is based on an increased workload that we are experiencing at this time as well as mediation that is scheduled after the current due date but before June 1, 2022.

By copy of this correspondence to all counsel of record, I am informing them of the same.

Sincerely,

Richard C. Alexander
