SEARCH WARRANT

Date 04/23/2012

Officer REECE, JONATHAN C10 *1164

2
STATE OF SOUTH CAROLINA

COUNTY OF GREENVILLE CASE # 2012-059097

AFFIDAVIT

Personally appeared before me, one _____
who, being duly sworn, says that there is probable cause to believe that certain property subject to seizure under provisions
of Section 17-13-140, 1976 Code of Laws of South Carolina, as amended, is located on the following premises in this County:

DESCRIPTION OF PROPERTY SOUGHT

MARIJUANA, DRUG PARAPHERNALIA, MONIES, PAPERS, EFFECTS, ANY ITEMS RELATED TO THE SALE MANUFACTURING, STORAGE, TRANSPORTATION,
DISTRIBUTION OF MARIJUANA AND OR ANY OTHER ILLEGAL SUBSTANCES ALONG WITH ANY FIREARMS USED TO FURTHER THE DISTRIBUTION OF NARCOTICS.
ANY PAPERS, EFFECTS, OR DOCUMENTATION THAT TEND TO IDENTIFY PERSON OR PERSONS IN THE RESIDENCE TO BE SEARCHED.

DESCRIPTION OF PREMISES (PERSON, PLACE OR THING)
TO BE SEARCHED

208 Old Piedmont Highway Greenville SC 29605. The Premise is a brick building/warehouse that appears dilapidated and abandoned.
The warehouse is covered in vegetation and has a tan cinder block front. The warehouse is partially surrounded by a chain link fence
and is set off of the road. The warehouse has three bay doors on the front side and a single door.

REASON FOR AFFIANT'S BELIEF THAT THE
PROPERTY SOUGHT IS ON THE SUBJECT PREMISES

The affiant while assisting case officer C37 Lyda arrived on scene at the request of Duke Energy reference a theft of power. Upon the
affiants arrival I was briefed by the case officer that the Duke Energy employee stated that the facility was illegally hooked up and pulling
large amounts of power and was unsafe. I observed the power leads to the building to be melting due to the excessive load that was being
placed on the exterior wiring causing a fire hazard. The owner (Jason Randall) of the warehouse arrived and advised that his tenants possibly
had someone living in the warehouse. Based on the exigent circumstances of there possibly still being power to the property and the threat of
a fire hazard entry was made into the warehouse by the affiant and case officer. Upon entry the affiant observed a strong odor of marijuana
coming from the interior of the warehouse and exterior. Once inside the affiant observed ventilation and lighting consistant with a indoor
grow of marijuana. The affiant also observed multiple marijuana plants within the warehouse. Based on this the affiant and case officer
exited the warehouse and notified vice and narcotics. It is the affiants belief that upon execution of this search warrant further marijuana and
marijuana related items would be located within.
