Mr. Adams,

I have never filed a transcript with the court. I can only provide it to you. If it needs to be filed with the court, that is something that you will be responsible for doing.

Hello Mrs Smith,

I am under the impression that the transcript is to be delivered to the court for chain of custody. Please let me know what method the court will require since we are using efilings.

Thank You,

Joe Adams

Mr. Adams,

I am in receipt of your transcript request regarding Docket #2021-CP-46-02764. Just a correction to it. I was not the court reporter for this hearing. This hearing was recorded through the State's DCRP. Court Administration has forwarded to me the notes and audio file for transcription.

I have put this transcript in line for production. Looking at the notes and the length of the hearing, I am estimating it to be about 20 pages. At the State's rate of \$4.25 per page, I estimate the cost to be \$85.00 plus postage.

I will not require payment at this time. I will, however, require payment for the transcript prior to it being delivered to you. I will email you an invoice when it is completed. Please note that I have 60 days in which to produce the transcript.

If for some reason you want to cancel this order, please notify me in writing.

Thank you.
