Re: Donna Erickson v. Felicia Ruff, Appellate Case No. 2018-001277
Our File No. 19-116

Dear Ms. Kitchings:

Respondent Donna Erickson objects to and opposes the motion to reinstate filed by Appellant Ruff. Ms. Ruff's statement in her motion that she has been in "full compliance" with court rules is outrageous, considering that this Court has issued more than 15 deficiency letters over the course of this appeal. Moreover, Ms. Ruff has still not cured the deficiency at issue here; she has not prepared the record on appeal as required by the rules. The notice of appeal was filed July 9, 2018, just shy of three years ago and this appeal has still not been perfected. Thus, the motion to reinstate should be denied.

Sincerely yours,

Ariail E. King
