Re: Donna Erickson v. Felicia Ruff, Appellate Case No. 2018-001277

Dear Ms. Kitchings,

This is in response to Donna Erickson's objection to a motion to reinstate my Appeal. It is assumed by the Respondent's defense, because of errors in my filed correspondence, I'm non compliant. My errors are a result of me not being an Attorney. However, the effort to save a home that I have fully paid for, is great! The insult from the Respondent's legal team, that I shouldn't be allowed due process, is a disgrace to the legal system. The Appellate court has allowed my errors to be corrected in a time sensitive manner. I have complied. It has been mentioned in the letter of objection, submitted by the Respondent, that I filed the Notice of Appeal, July 9th 2018, and it still has not been perfected. I'm not perfect, but I put forth every effort to be in compliance. Also, there is a question as to LEWIS BABCOCK's true knowledge of the entire situation. They weren't the respondent's legal counsel when the Appeal was filed. They have hurled insult after insult. That is very unprofessional and a direct reflection of bullying tactics. Like any other tax paying citizen, I have the right to due process, and the Court of Appeals has graciously allowed the laws to prevail. I ask that it continues. Please reinstate my Appeal. I have paid for this home and just want the opportunity to prove it in the higher court.

Respectfully
Felicia Ruff, Appellant
