RE: FOLLOW UP: request to review file of case number 2021-00074

Dear Ms. Abbott-Kitchings,

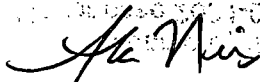

I came by the Court of Appeals on 13 April 2022 shortly before noon to review the case file for case 2021-00074. As I was signing in a lady approached from the direction of the basket in the lobby and offered her assistance. She said she didn't know who had the case file or if it was all paper, some paper and some electronic or all electronic. I left her a piece of paper which had my name, contact information and the case number written on it and she said she would determine who had the file and either have them contact me or potentially just email me a copy of the case file, which she stated was often the method of dealing with such a request.

As of today, 22 April 2022, I have not received any follow up related to this matter.

Please follow up on this request as soon as possible. I do not need copies of anything I have filed unless something unusual has occurred with them. I am assuming the rest of the case file is not very large and could be fairly easily scanned and emailed. Once again, my email address is agnix1@hotmail.com if the email approach is preferred.

Thank you in advance for ensuring this request is promptly resolved.

Best regards,

Alan Nix
