The South Carolina Court of Appeals

The State, Respondent,

v.

Aaron Mckenzie Capers, Appellant.

Appellate Case No. 2019-000511

ORDER

Appellant requests an extension to serve and file the appellant's initial brief and designation of matter and alleges there are extraordinary circumstances justifying this extension. The extension is granted until May 16, 2022. On March 18, 2022, this Court issued an order indicating no further extensions will be granted. We grant this last extension because of the circumstances set forth in counsel's 6th extension request. If counsel is unable to file the appellant's initial brief and designation of matter by May 16, 2022, she must make arrangements for another attorney to take over the case.
