**RE: Michael K. Crowley v. Darlington County  
Appellate Case No.: 2022-000282**

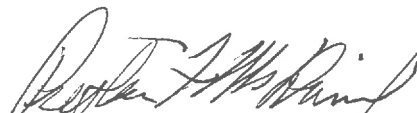

Dear Ms. Kitchings:

This is to request an extension of thirty (30) or if possible sixty (60) days for the filing of the Initial Brief of Appellant and Designation of Matter in the above-referenced matter. In reference to the possibility of a sixty (60) day extension, due to a family member's health issue which required 11 to 12-hour trips to Baltimore and me being out of the office two to three days per week, three out of the four weeks this last month this has wreaked havoc on my practice and representing my other clients. So I would really like to request a sixty (60) day extension and while I believe it is the Court's policy to grant thirty (30) day extensions, I would appreciate consideration of this request. I have already discussed my request for an extension to file the Initial Brief and Designation of Matter with Defense Counsel, Gabe Coggiola, and he has no objection to the extension being granted.

With the mailed copy of this letter, I will enclose the required \$50.00 filing fee for making the request.

As always, I appreciate all the courtesies and kindnesses shown to me by the Court.

Sincerely yours,

Preston F. McDaniel
