Attached please find for filing my Petition for Writ of Certiorari in the above captioned appeal from the decision from decision of the S.C. Court of Appeals in this direct appeal. I have an unbound copy of the appendix and one bound copy hand delivered to the Court earlier today. My COS documenting that opposing Counsel is being sent a copy of both this Certiorari Petition and the Appendix by way of the USPS is included with my Certiorari Petition.

As I printed this petition for mailing to Mr. Edwards, I noticed that my margins were off. I reformatted the petition and then discovered my petition was over the page limit by 4 pages counting the cover and COS. I will file a request for live to exceed the page limit for that 4 pages tomorrow. I have honestly cut this one as far as I can. Thank you very much.
