ATTORNEY FOR PETITIONER

On April 28, 2022, undersigned counsel filed a Petition for Writ of Certiorari to the South Carolina Court of Appeals in this matter. As Counsel noted at that time, while completing her final draft she noticed that the format had been set with an improper margin at the top of this document. After reformatting her final draft of this document to comply with the rules concerning margins, the petition was slightly over the page limit set by Rule 242 (d)(4), SCACR. Counsel notes that the final draft, as numbered was 28 pages long making it three pages over the page limit of 25 pages. Counsel counted the outside cover of this document in her numbering and therefore, if the cover is not counted, the petition is two pages over the limit. Counsel has spoken with opposing counsel, Joshua A. Edwards, and he has graciously said that he would not take a position on this request and would leave this matter to the discretion of the Court. . At this time undersigned Counsel asks that this petition be accepted as filed on April 28, 2022. Counsel would very much appreciate this consideration.

Respectfully Submitted,
