Re: Bluffton Park Community Association Inc. v. Joseph Chakyng Sun
Appellate Case No. 2021-000434

Dear Counsel:

The Court is in receipt of your correspondence dated May 11, 2022. The motion to strike and amend is still pending and all parties will be advised once there is a ruling by the Court. No further action is required by either party until the motion has been decided. The Court has not received a final brief by the appellant just yet. However, if one is filed it would be premature because the motion to strike and amend is still pending.

Very truly yours,

V. Claire Allen
