S.C. Court Of Appeals

SC Court of Appeals

My Name is Dana L. Dixon, Appellant for CS. NO. 2021-000696. I am writing to ask questions pertaining to the Record on Appeal. After reviewing the filed documents listed on the ctrack, I am curious as to what is the actual date being used as the filing date for Record on Appeal, March 04, 2022 or March 10, 2022 of Corrected (pagination and proof of service) Record on Appeal? Or 02/28/2022?

I am asking due to Respondents final Brief would have been due by the 19th of March 2022, if Record on Appeal file date was 03/01/2022. And the 29th of April 2022, if the filing date was 3/10/2022.

According to the Order dated 02/16/22, that states "Respondents shall serve and file final brief (Rule 210a) within twenty (20) days of service of the Record on Appeal."

Respondents did not file a motion for Extension of time in the month of March, even though the Order stated within 20 days. Would the Respondents disregard to the Order be considered Civil Contempt of the Court? Or simply fall under rule #7, of the Judicial Branch? (Willfully violate a valid Court Order issued by a Court of this state or of another jurisdiction)

And if Respondents did not file their final brief and the date(s) to do so had come and gone; was "No Reply" to brief to have been posted/filed on the ctrack?

I ask these questions with respect to this Court.

Thank you in advance and I look forward to your reply.

Respectfully,
Dana L. Dixon
